

## ERRATA SHEET – AIRPORT EXPANSION CONSULTATION

The Airport Expansion Consultation is a statutory consultation on our preferred proposals for Heathrow Expansion. The consultation is running from 18<sup>th</sup> June 2019 to 13<sup>th</sup> September 2019.

We have set out our proposals in a number of documents covering different topics and different levels of detail. All of these are available on our website, at Document Inspection Locations (DILs) and at consultation events. This document sets out where we have made corrections to the Airport Expansion Consultation documents (online and in hard copy) and the Airport Expansion Consultation website.
